- Press the green Print button.

MOBILE

Download the PrinterOn app from your app store then scan the appropriate QR code below to select the desired printer:

General Information:

Prices for all printers: 10¢ per page for B&W, 50¢ per page for color.

All print jobs sent remotely are stored for 72 hours and then permanently deleted if not printed.

It is the patron 's responsibility to preview all print jobs at the print release station before payment is given.
