What can I submit?
Anything you create! Your submission can be written or visual. Want to bake a cake? Great! Submit your photos. The most important criteria is how well you represent your fandom.

Where do I submit my entry?
Fill out an entry form. You can submit your fandom entry in person at the Loveland Public Library Teen Hangout or email your entry to LibraryTeenServices@cityofloveland.org with your submission attached. Remember to include your entry form and pictures!

How will my entry be judged?
Your submission will be judged on design, creativity, difficulty, and how well you represent your fandom.

How will winners be announced?
Winners will be announced on Monday, March 11 via email. So make sure we can read your entry form - we want to make sure you get your prize!

How will I know what cool things people created?
